

To: Elementary School Parents and Families
From: Katie Volpicelli, Elementary Principal
Date: February 14, 2019
Subject: Change in the elementary 3:05 pick-up procedures

In order to avoid the back-up of cars on Main Street, we ask that all cars enter campus through the Academy Street entrance (between Candor Family Care and the Ambulance Garage).

- Continue straight into the High School lot.
- Turn left to come up in front of the High School Technology wing.
- Loop along the side of the High School Auditorium.
- Turn right to continue on the driveway in front of the High School leading to the Elementary School.

After picking up children, cars will exit through the District Parking lot in front of the High School. (There is no change with the exit process.)

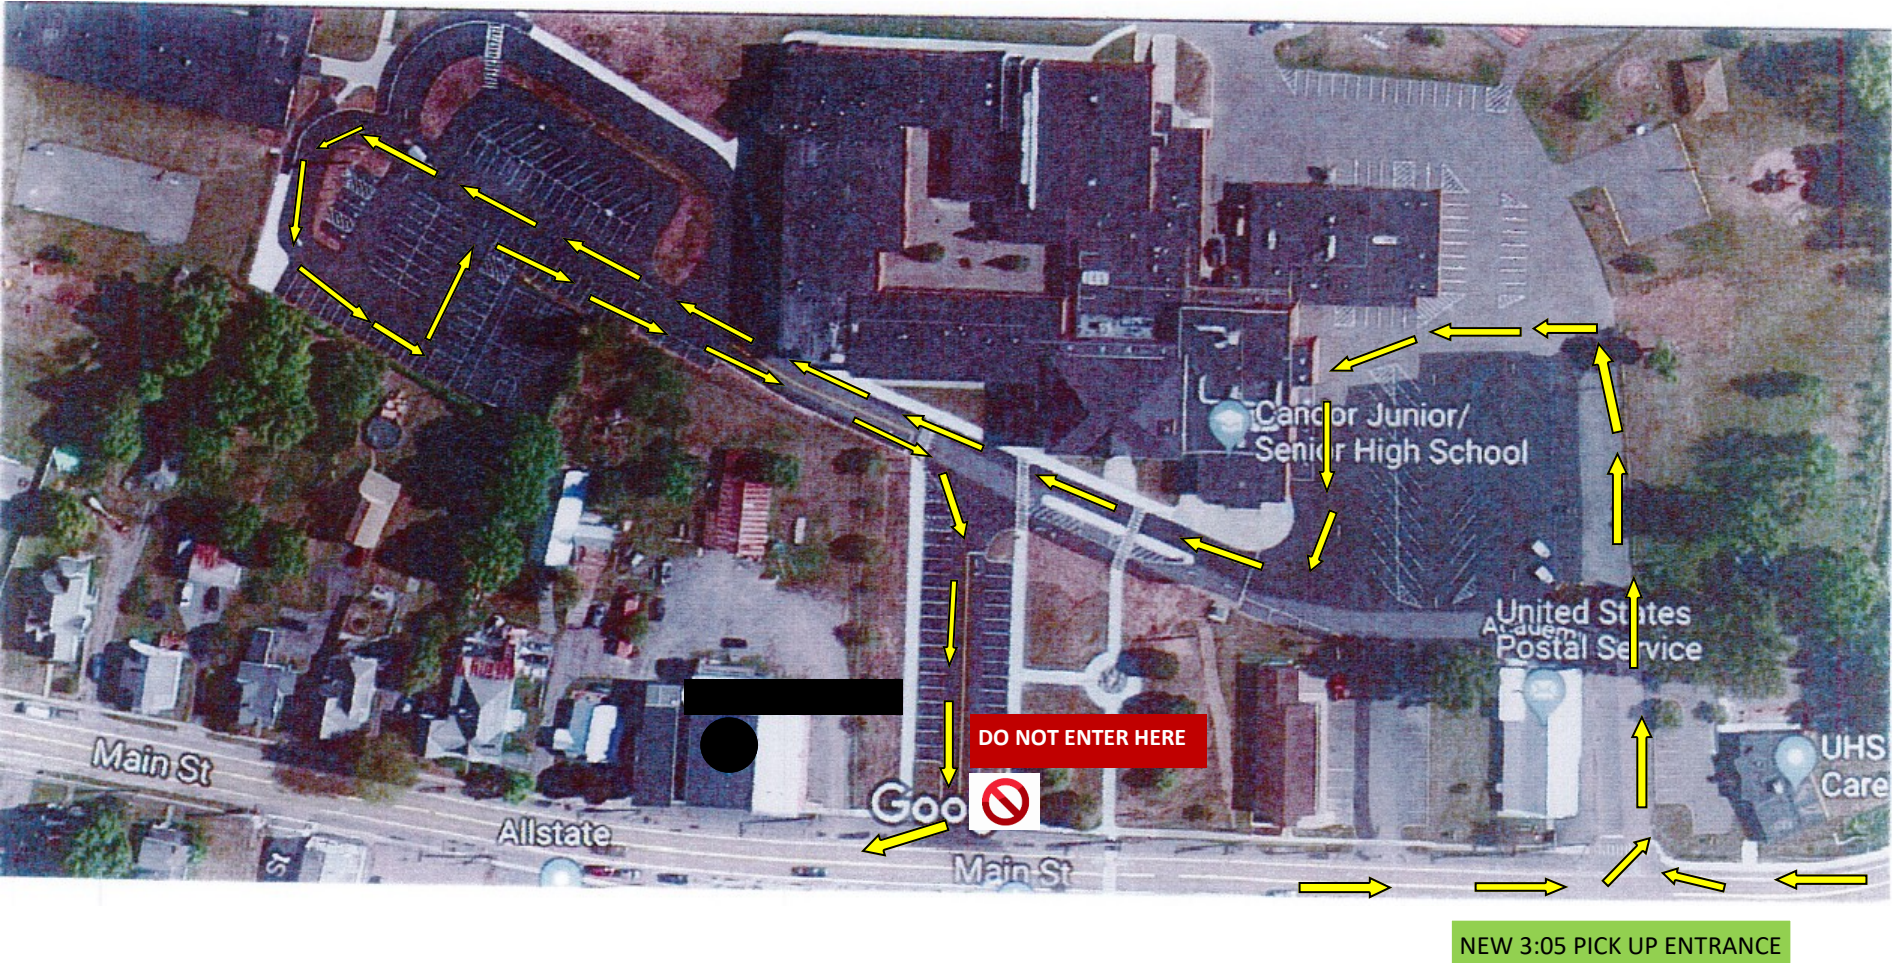

These changes will begin on Monday, February 25, 2019. We will have several adults around campus to help with this change.

Thank you again for your efforts in making student dismissal a safe and successful process!

**** Please refer to the map on the back of the memo ****

REVISED 3:05 PICK UP ROUTE FOR CANDOR ELEMENTARY SCHOOL

2/14/19

Thank you for your cooperation and understanding with this new route in order to avoid traffic congestion on Main Street.
