Name: _____

This form **must** be completed before you will be considered for membership in the National Honor Society. It provides you the opportunity to describe the ways in which you might meet the criteria of character, service, and leadership. Please note that, while failure to complete this form absolutely makes you ineligible for membership, completion of this form does **not** guarantee acceptance for membership.

In order to be considered eligible for acceptance in the Honor Society, you must obtain the following minimum scores, from at least **three of five Faculty Council members**, in these three criteria:

- Character – 13 of 16 possible points
- Leadership – 16 of 20 possible points
- Service – 16 of 20 possible points
- Scholarship is determined by your academic standing. You have already successfully met this criteria.

The awarding of points will be the responsibility of the Faculty Council, and will be based upon the information you provide on this form, as well as the characteristics and behaviors you have demonstrated in your daily life as a student. If you do not obtain the minimum points in any of the scoring criteria, you will automatically become ineligible.
