October 5, 2020

Dear Candor Families:

The Candor Central School District has been working with the Tioga County Health Department as we have received notification of a confirmed case of COVID-19 at the Candor Elementary School. Information regarding this individual's identity cannot be released. We ask that you please respect this individual's privacy.

Per New York State Department of Health guidelines, any person who was in contact with the confirmed case will be quarantined by the Tioga County Healthy Department for up to 14 days. A contact tracing investigation is underway and anyone exposed will be contacted by the Tioga County Health Department.

We will continue to monitor the situation and keep our community informed. Please note, the Candor School Reopening Plan was designed to cohort our students in a manner that allow the District to continue to operate effectively.

We appreciate your patience and cooperation as we work to ensure the safety of everyone in our district. We will provide any additional updates via the Candor Central School District website, www.candorcscsd.org.

Respectfully,

Jeffrey J. Kisloski
